“Early Years staff ensure that children have a high-quality learning environment. They know their children well and focus their work on developing children’s vocabulary and providing a rich experience for children on entry to school.” Ofsted 2019

For families and friends with children starting school in September 2020, we warmly invite you to come and meet our friendly staff and see our Early Years provision.

Bring your children! They will be able to play and join in with some Bonfire themed activities!

We look forward to meeting you.
