

Sport Premium

The National Picture

Sports funding was introduced by the Government in September 2013. It was designed to give additional money to support schools in developing Physical Education in Schools and build an 'Olympic Legacy'.

Funding

In April 2013, the Government announced new funding (Sport Premium) for physical education (PE) and sport to improve the quality and breadth of PE and sport provision at School, for two years. For academic year **2023-2024**, school received **£20,292** to be spent on improving the quality of PE and Sport at Grosvenor Road.

At Grosvenor Road Primary School, we believe in the importance of leading an active and healthy lifestyle. An exciting and engaging PE and Sport curriculum is vital in achieving this and we feel that as a school we are working towards ensuring this is put into practise.

Grosvenor Road Primary School's Mission Statement is 'Laying the Foundations for Children to Thrive'. We feel that Physical Education plays an important role in helping us to fulfil this statement, enabling children to live an active and healthy lifestyle. We have worked hard to develop our Physical Education through curriculum time and extra-curricular activities.

Our PE Curriculum

A wide range of PE is delivered to the pupils, which aims to engage and inspire all pupils. Sports taught are wide and varied, both during the school day, and as extra-curricular clubs. Opportunities include gymnastics, athletics, dodge ball, rounders, netball, hockey, dance, cricket and football.

In addition, funds are used to employ Sports Coaches and this expertise is used across the school to teach pupils from Year 1 to Year 6 in PE activities ranging from basketball to multi-skills. Sports Coaches are also working alongside our Lunchtime Staff to deliver a Sports Active programme. This is an engaging project for all pupils, and aims to ensure that pupils access a wide range of sporting activities during lunchtimes.

We also offer a start active club. This takes place three times a week before the school day begins. It provides children with an opportunity to take part in focused sporting activities which engage and prepare them for the start of the school day.

As well as regular PE lessons, we also provide team competitions both in-house and inter-school. These competitions ensure that the children learn and observe good examples of sportsmanship and respect for fellow competitors.

The school is keen to provide a wide range of extra-curricular clubs for pupils throughout the year. As a result of the funding, we have been able to provide time and resources organising extra-curricular sporting clubs and competitions. Pupils enjoy the opportunity to work with different coaches and have the chance to try new sports such as Gymnastics, Netball, Dancing, Street Dance, Tennis, Football, Multi-skills, Hockey, Cricket, Rounders and Athletics. We monitor participation and check uptake against gender, SEN and free school meals. We also enter a wide range of competitions (e.g. Football Tournament; Dance Competition; Area Sports).

Partnership Work

Our school is part of the Swinton Network, a group of six primary schools who are planning to work together alongside our Sports' Coaches to plan competitions for the children and share good practice. This will involve taking part in in-house and inter-school competitions at the end of each term.

For 2022-2023, we used the Sport Premium (£20,197) to further improve the quality of PE and Sport provision in the following ways:

Action	Cost	Aim
3 x per week before school "Start Active clubs delivered by specialist coaches	£4250	Increase numbers of children take part in physical exercise/ participating in physical Education and an increase in the inclusion of pupils reluctant to join in.
3 x per week after school clubs provided by 2 specialist coaches	£6500	Increase numbers of children take part in physical exercise/ participating in physical Education and an increase in the inclusion of pupils reluctant to join in.
20 x per week lunch time "Get Active" clubs delivered by 4 specialist coaches across EY, KS1, LKS2 and UKS2	£5186	Greatly Increase participation of children taking part in competitive sport and enhance opportunities for pupils to fully engage in appropriate outdoor activities during lunchtimes. Increased skills development for pupils and increased skills.
Coach to take Y5 children swimming	£3060	To ensure the children meet the national curriculum requirements for swimming and water safety.
Sports equipment for the yard	£1201	Greatly Increase participation of children taking part in competitive sport and enhance opportunities for pupils to fully

		engage in appropriate outdoor activities during lunchtimes. Increased skills development for pupils and increased skills.
